

I'm going to Lincoln Center with my family!

Lincoln Center is the largest performing arts center in the world and people come here from many different places to see concerts, plays, and dance.

First, we will enter Jazz at Lincoln Center on 60th street and Broadway and take the elevators that say **JAZZ** in big letters to the 6th floor.

When we get to the 6th floor, we will check in at the **Patron's Lounge**.

Then, our **WeBop** class will begin with **Ms. Goussy**, the instructor and **Mr. Adam**, the accompanist who will play the piano. They will talk to us about **jazz music** and a famous jazz musician, like the one in the picture.

During class, we will sing and play together, we will use instruments that make different noises that we can play with our hands.

If I need a **break** or need to use the **bathroom**, my family can leave the room and come back. We can visit "Chill Town" to take a break. Since no food is allowed inside the room, I may bring snacks to eat before and after the class.

We will know it is over when we hear Ms. Goussy sing "Goodbye my WeBop friends!" We will wave goodbye to the WeBop musicians and the other students in the class.
