

## **Pre-Flight Packet:**

**A Social Story, Character Guide, and Flight Map**

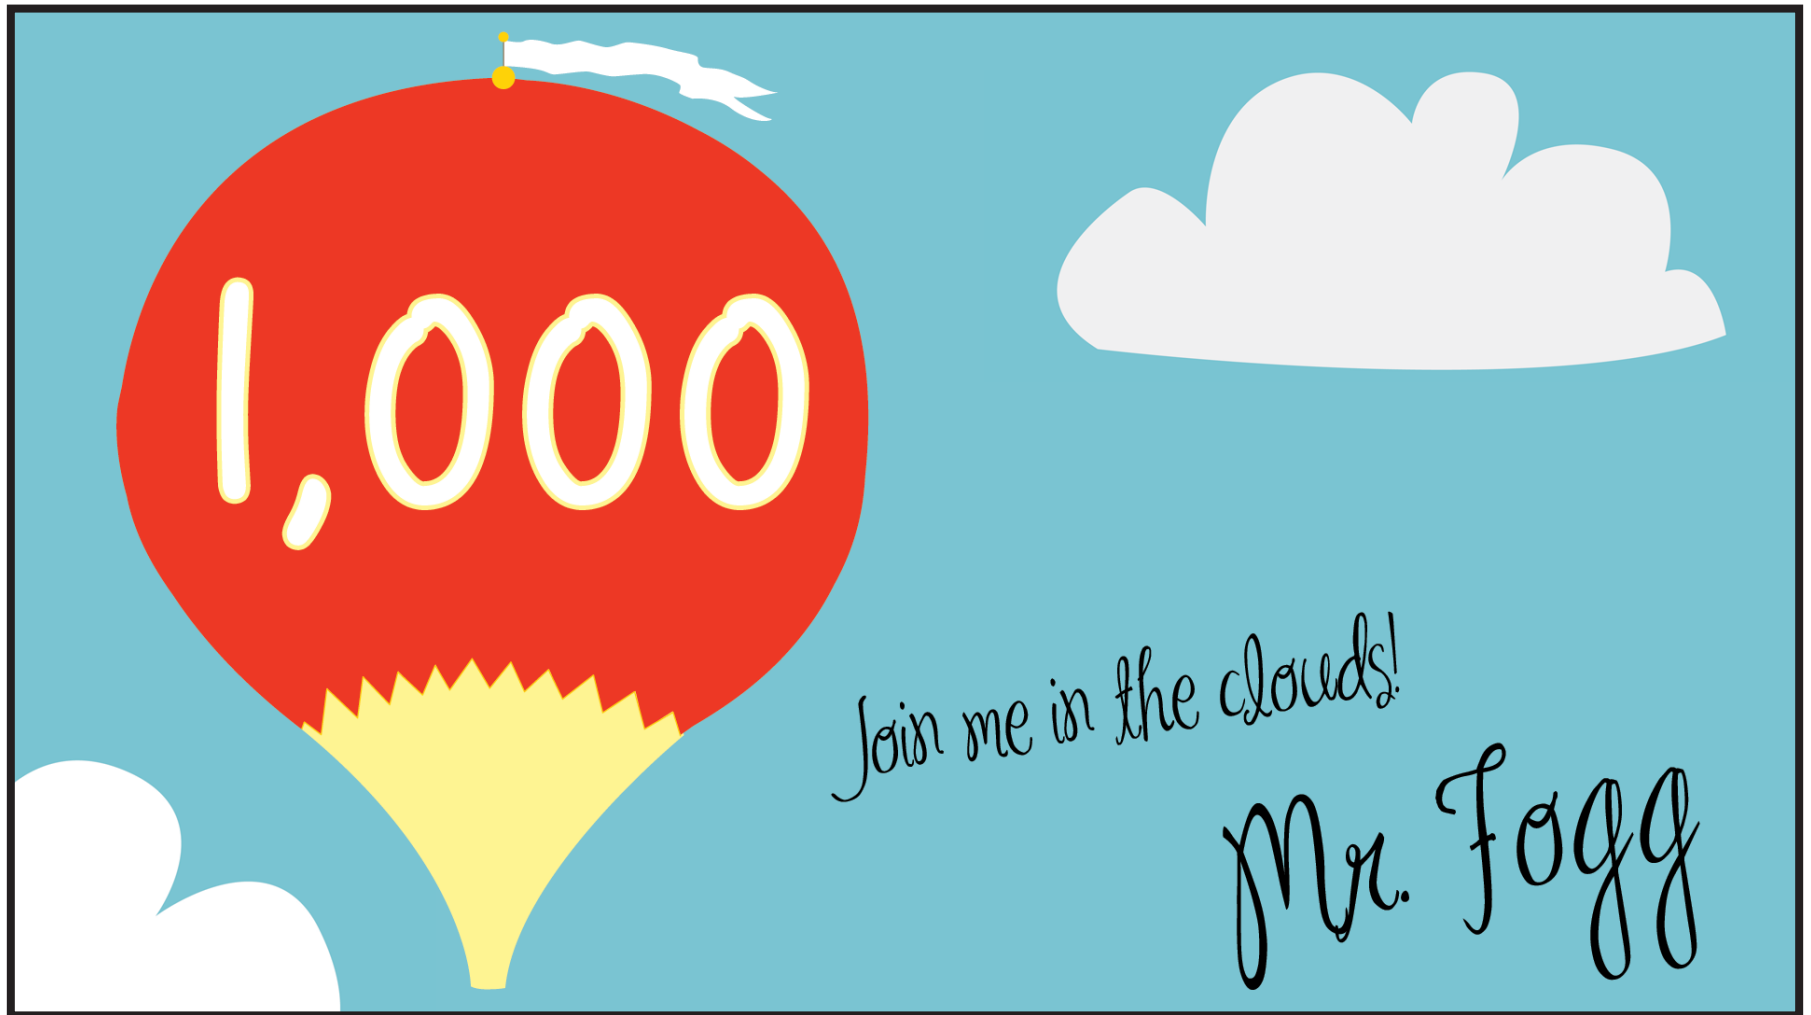

I am going to see the play *Up and Away*  
created by Trusty Sidekick Theater Company at Lincoln Center.

Lincoln Center Education

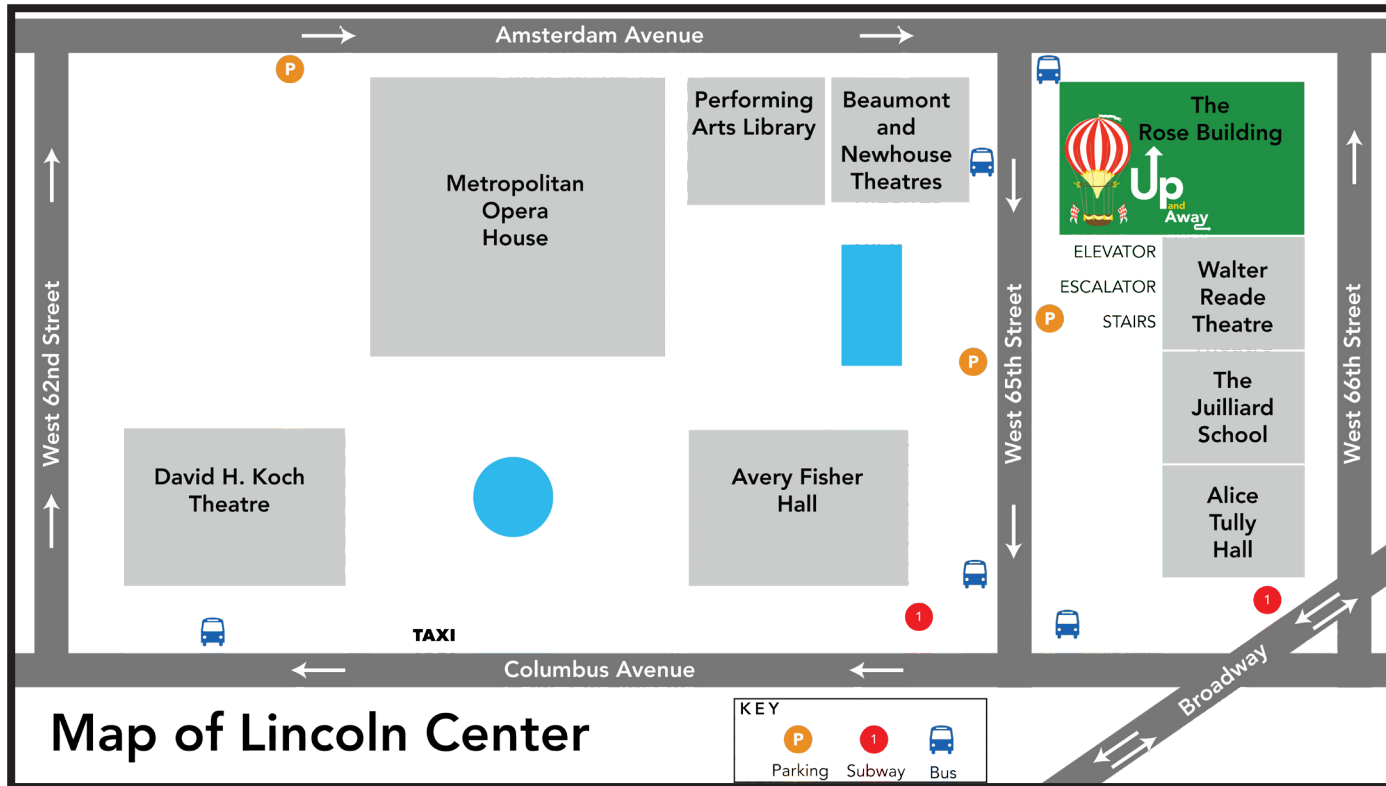

Mr. Fogg has invited me to the Fogg Family 1000<sup>th</sup> Balloon Ride!

I am so excited to go see this play!

I am going to travel to Lincoln Center.

## Samuel B. and David Rose Building 70 Lincoln Center Plaza

I may take a bus,

a car,

or a train.

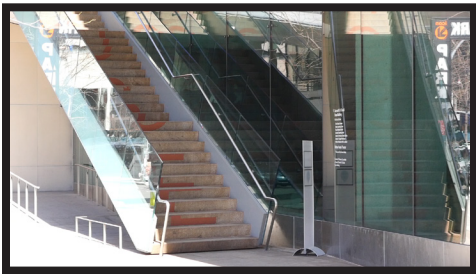

Up and Away is performed inside  
The Rose Building at Lincoln Center.

## Samuel B. and David Rose Building 70 Lincoln Center Plaza

I can get to the lobby of the building by  
taking the stairs, riding an elevator,  
or going up an escalator.

When I enter the building I will prepare to visit Mr. Fogg for the 1000<sup>th</sup> Balloon Ride.

I will meet the security guard.

I will wait for the elevator.

When it arrives I will meet Frop or Foon.  
They play beautiful music.

I will take the elevator to the 7<sup>th</sup> floor.

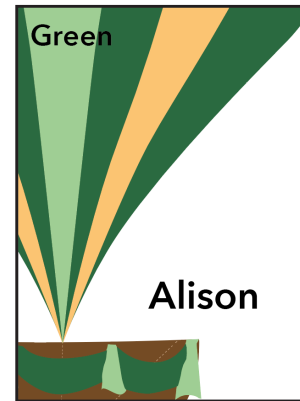

When I get off the elevator  
I will meet Carl, our # 1 caretaker.

Carl will give me my flight pass for the  
balloon ride.

The color of my flight pass will  
match the color of my balloon.

I can also take a Cloud Fidget.  
This is mine to keep.

I can use the Family Restroom.

Then, I will explore the Fogg's Air and Wind Laboratory.

I will meet the Fogg Family!

**Phil Fogg**

**Flow Fogg**

**Fan Fogg**

**Flip Fogg**

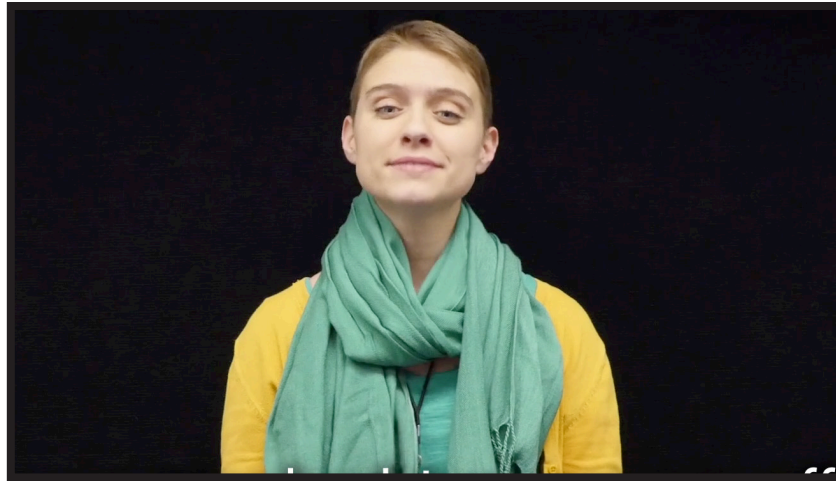

**Faux Fogg**

I will get ready for the 1000<sup>th</sup> balloon ride!

I will be given a scarf to wear. It can get chilly up in the clouds.

If things get too loud I can use ear muffs to make it a little quieter.

In the Air and Wind Laboratory,  
I will get a cloud seed from the Nursery.

I can't wait to plant the cloud seed in the sky so it can grow into a big cloud. Cloud seeds are fragile.

I will take really good care of my cloud seed.

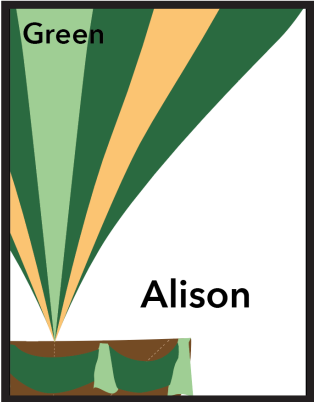

When Phin and Fran Fogg announce that it is time for the flight, The Foggs will help me to the Solarium. We will await the arrival of the balloons.

The Solarium has lots of windows and it is where I can cloud gaze and relax. If I need a break during the play, I can always come back to the Solarium.

When the balloons arrive, a member of the Fogg family will lead me to my hot air balloon.

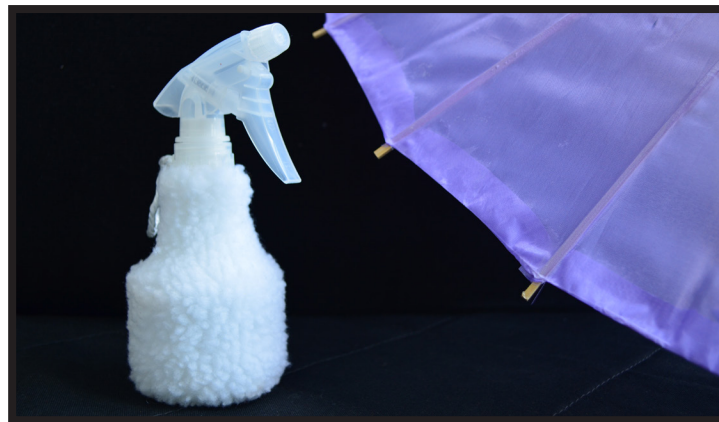

I will meet the other passengers and find a comfortable seat in the hot air balloon.

I will use my imagination to go on an adventure with the Fogg Family. We will pretend that our hot air balloons will lift off the ground.

Lift off can be a fun part of the trip! Lift off can also really excite the senses. I may experience wind and mist.

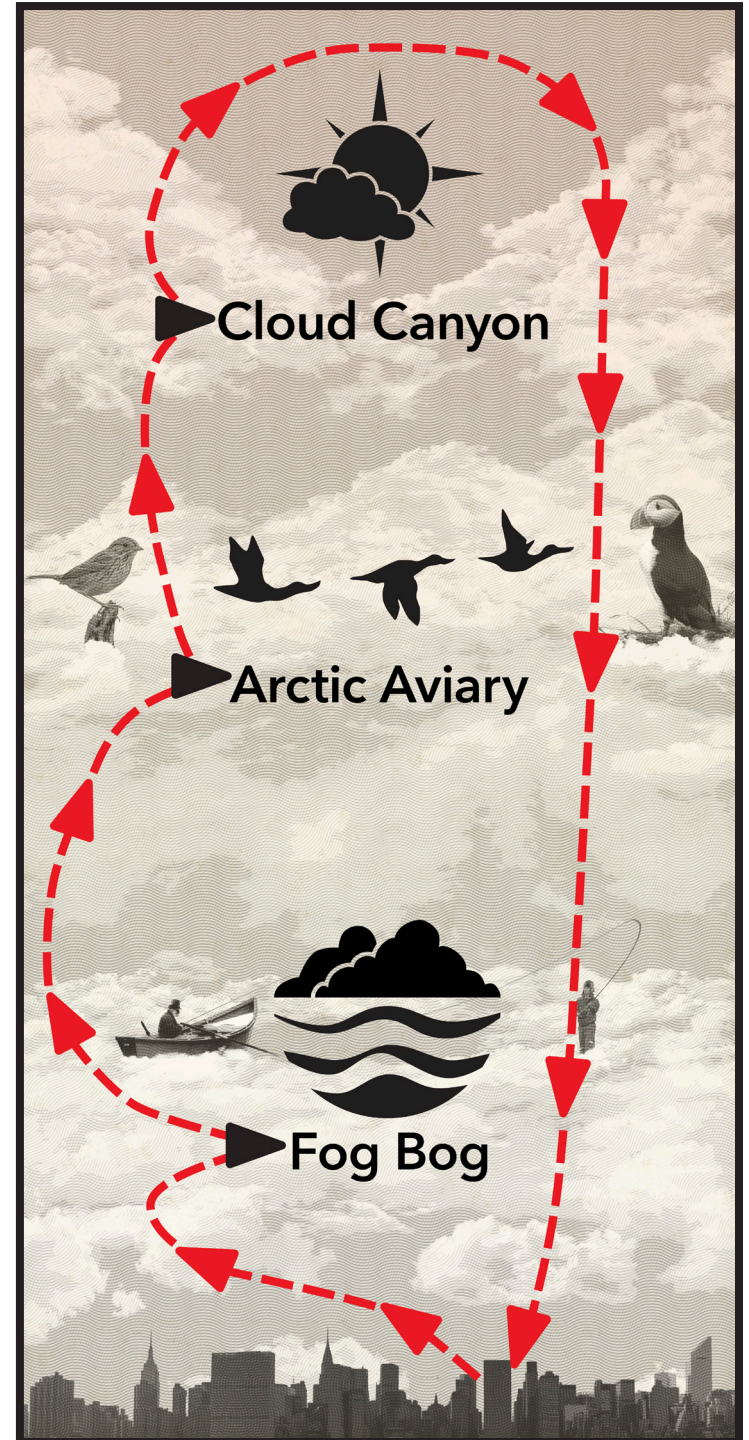

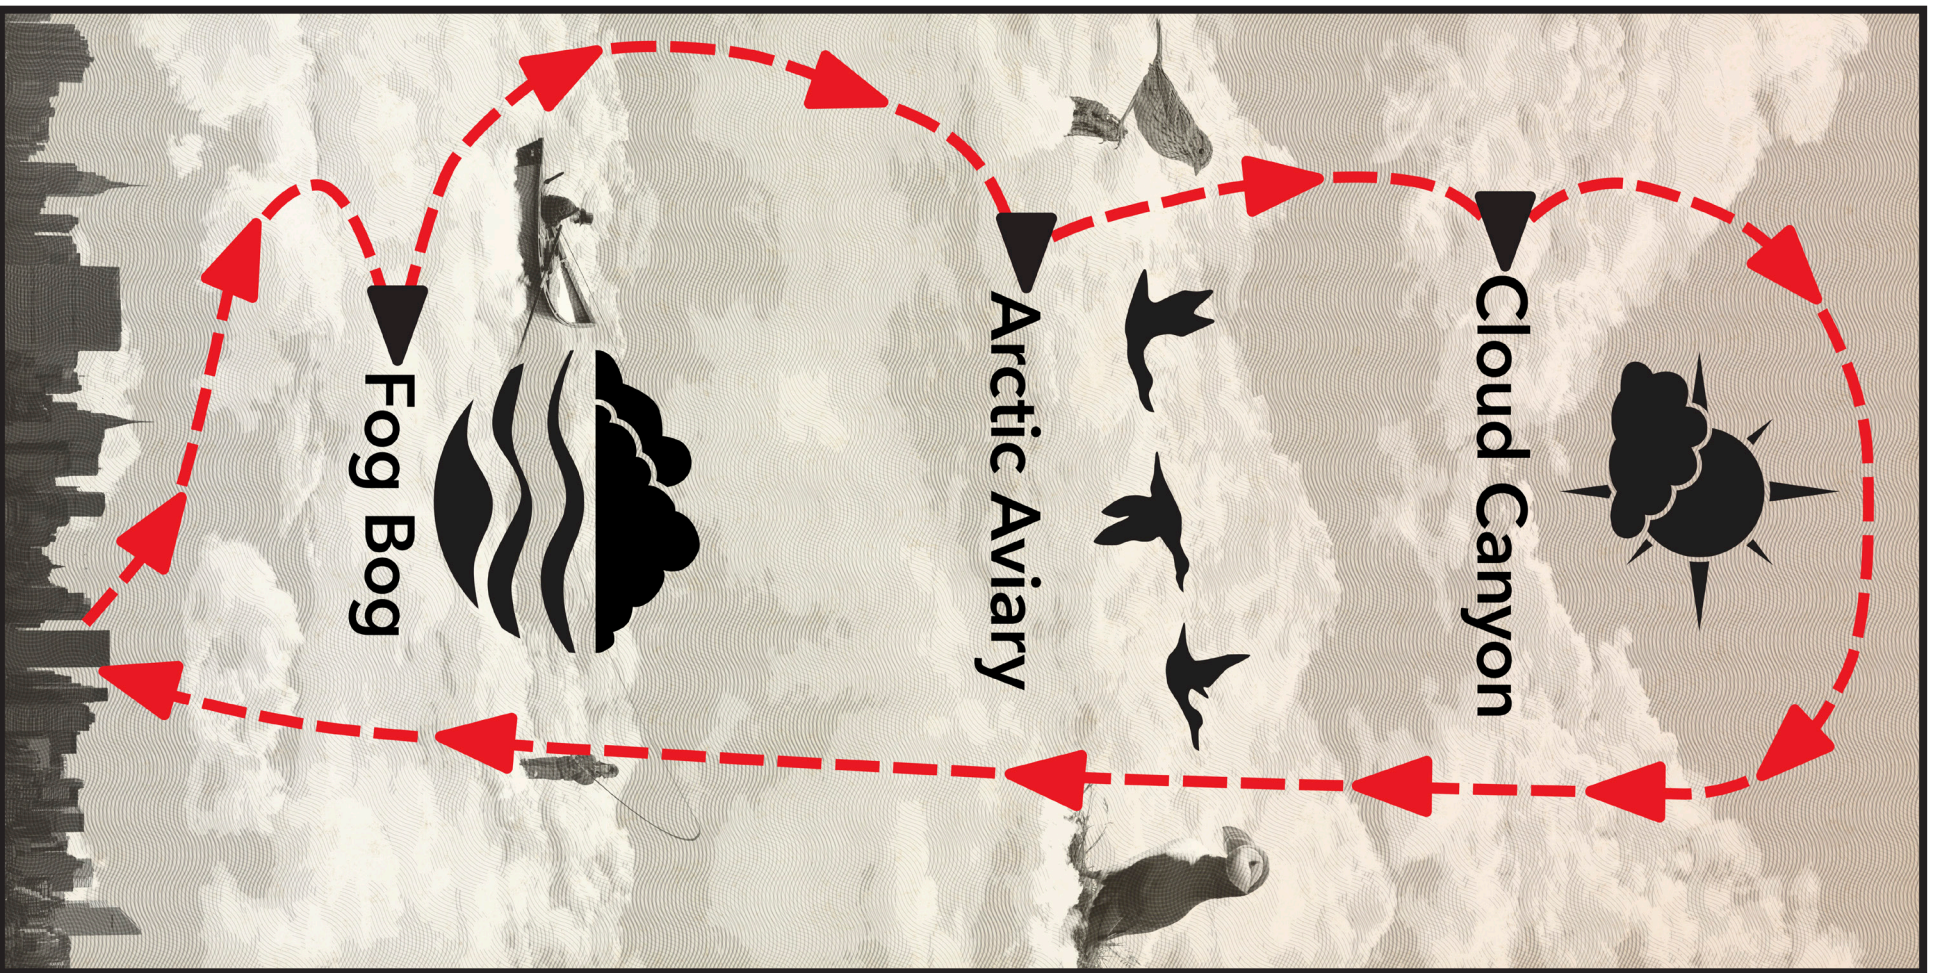

If I don't want any more, I can say, "No, thank you."

# FLIGHT MAP: RIDE 1000

During the play, I can use the flight map to know where the balloons will go next.

I can bring a copy of the flight map from home, or Carl can give me one when I meet him.

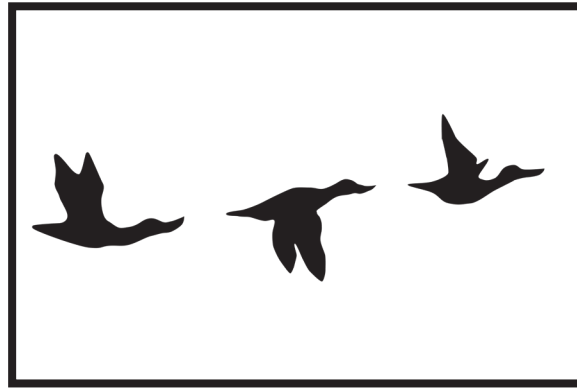

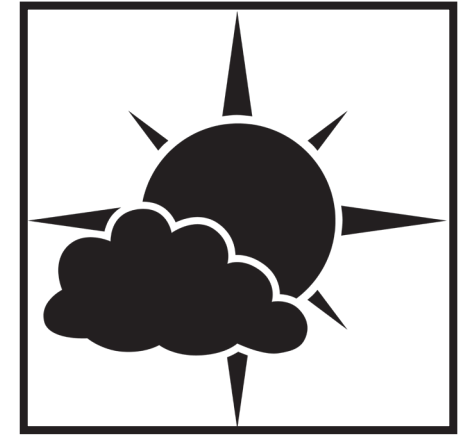

We will go Up and Away to visit:

the Fog Bog,

the Arctic Aviary,

and Cloud Canyon.

I will stay in my balloon until we visit Cloud Canyon.

If I need a break, I can return to the Solarium.

At Cloud Canyon we will exit our balloons and explore the clouds!

We will also plant our cloud seeds in the sky so they can grow into big, fluffy clouds of all shapes and sizes.

After Cloud Canyon, I will return to my balloon.

I will return to the ground and celebrate the completion of the 1000<sup>th</sup> Balloon Ride!

I will return my scarf and my lanyard.

I can have my photo taken with a member of the Fogg Family.

Then, I will say, "Goodbye."

I am so excited to go Up and Away with the Fogg Family for the 1000<sup>th</sup> Balloon Ride!
